### Special Tributes

Late Pope Paul John II Sir Knight Pat Hagel Sir Knight Bodo Niedballa

# John Paul II's beatification is meaningful for the world, the Church and the Knights of Columbus.

by Cardinal Stanisław Dziwisz

The beatification of Pope John Paul II will be a very important event for the Church and the world, as it recalls the character and apostolic activities of the pope "from a distant country" who boldly preached Christ to the ends of the world. He reminded us that Jesus is the Redeemer of mankind and the hope for all people of good will, and he awakened in our hearts the apostolic desire to bring the Gospel — the Good News — to people of different races and cultures.

# THE KNIGHTS' TESTIMONY OF FAITH

The Knights of Columbus, faithful to Christ and the Church and according to the will of its founder, the Servant of God Father Michael McGivney, joins in the renewal of the world through its loving service to people affected by sickness and misfortune.......

Whenever I think
of the
Knights of Columbus, I am
reminded with joy of a rich
heritage of faith,
fraternity
and service,
and of a shining example of
Catholic laity involved
in the mission
of the Church.

Pope Paul John II

#### <u>60 YEARS A KNIG</u>HT

(by Pat Hagel)

May 1st, 2011 marks the 60th anniversary of my installation in the Knights of Columbus. I would like to share with you some memories of my 60 years as a Knight.

I was raised on a farm near Beiseker, Alberta, and was the middle child of a family of eleven children, eight sons and three daughters. Our family was a devout Catholic family.

The nearest K. of C. Councils were located in Calgary some 50 miles away. My father, Edward Hagel, as well as other men from our parish belonged to a Calgary council. Attending meetings presented quite a problem during those depression years. Several of them, including my father, dropped out of the Knights because of the cost and the difficulty in attending meetings in Calgary.

I believe it was at that time that a "Columbus Club" was formed in our parish which was in some way affiliated with or modeled after the Knights of Columbus. I believe the men who still belonged to the Calgary council and the members of the Columbus Club requested the formation of a Knight of Columbus Council in St. Mary's parish, Beiseker.

On May 1st, 1951 the Father McQaid Council #3398 was formed. Among the

51 Charter members were two of my older brothers and myself as well as several of my cousins and uncles. One of the charter members was Carl Schmaltz, father of Kevin and Tim Schmaltz of Council 4949. My father was too ill to join at that time. He passed away about 6 months later.

I clearly remember the day of my initiation. My brother said to me "There are two things you will never forget; your wedding day and your initiation in the Knights of Columbus". He was so right. All of my brothers soon became members of the Knights and two of them eventually became priests.

At that time I was 23 years old and worked on the family farm. I was active in the many of the activities the Knights sponsored. I was probably most interested in the social events; baseball games, curling bonspiels, parish picnics, Communion breakfasts, etc. In the early '50s a new church was built in Beiseker. The Knights provided much of the manual labor required. I have vivid memories of shoveling gravel into the cement mixer and pushing wheel barrows full of cement to the brick layers. The Knights also assisted in the upkeep of the parish buildings and grounds as well as cemetery. Since this was a farming community, K. of C. meetings were often postponed during seeding and harvesting.

During my years as a member of Council #3398 I rarely held a position on the executive. In the late 1960's I moved to Calgary with my wife and three daughters. I transferred to Council #4622.

In 1979 we moved to Vernon and I transferred to Council #4949. Now my involvement in the Knights really intensified. I was retired and had more time to take an active part in council activities. Along with my brother Knights, I volunteered at the Bingo nights held in the old Legion building. I took part in the "Shepherd's Dinners" we held to honor our Sisters, Priests and Bishop.

I served in several positions on the executive. I became Grand Knight in 1991. This was a daunting experience for

me. What did I, a farmer who had never completed high school, know about chairing meetings, protocol and the like! I am truly grateful for the trust placed in me by my brother Knights and to the encouragement, guidance and support of several former Grand Knights. One of the highlights of my term as Grand Knight was the opening of Columbus Court.

Following my term as Grand Knight I was appointed District Deputy, another rewarding experience.

In 1986 the Msgr. John Miles

Assembly of the 4th Degree Knights was formed. I was one of the charter members and in 1997 was elected as Faithful Navigator.

In looking back on my 60 years of "Knighthood" I am very grateful for many things;

- the many friends I have made and the memories of so many good men I have worked, prayed and played with.
- the opportunities for spiritual growth through the guidance of our spiritual directors, retreats and special masses sponsored by the Knights, especially the Necrology mass.
- all the educational opportunities by being involved in the executive and attending conventions.
- the opportunities to serve my community, my parish and my church.

It is my prayer that all Catholic men will avail themselves of the opportunity to belong this great Fraternity. Fraternally

Message May 2011 by Grand Knight Guenter A. Rieger

#### Brother Knights.

It's almost one year ago after I was elected as your Grand Knight. During the last year I was privileged to represent our council in different venues, and I have to say, as more you get involved, as more you appreciate being a member of the Knight of Columbus.

Elections of officers for our Council 4949 coming up in May. I would like to encourage every member, if you're nominated for an Executive position, to be willing to let your name stand for election of officer. I also would like to encourage all members to make an effort to come out on election day, which will be on Tuesday May 10<sup>th</sup>,2011, during our Business meeting at 7:00PM at Columbus Court.(see Election notice on page 6)

We are privileged having many committed Knights in our Council. We will start with this issue to feature our members with a special tribute.

A very strong supporter of the Knights of Columbus was late Pope Paul John II. The Beatification of Pope John Paul II is May 1st as the date to honor one of the most beloved popes of all times as a model of saintliness for the church.

Pope Benedict XVI has recognized a miracle attributed to Pope John Paul II, sainthood a mere six years after his death. One of the required steps was the October 2010 ruling by a panel of physicians that a French nun's recovery from Parkinson's disease after praying to John Paul -- who suffered from the same disease -- was "scientifically inexplicable."

We have at St. James Council 4949 many committed members. One of

Pat Hagel. Pat is celebrating on May 1<sup>st</sup> his 60<sup>th</sup> anniversary being a Knight of Columbus.

# Thank you Sir Knight Pat Hagel for 60 years of service to the Knights of Columbus

On behalf of the Knights of Columbus 4949, I would like to thank you for being a committed Knight. I also would like to extend our Thanks to your wife Jean, who allowed you for being involved with our Council 4949.

It was a pleasure working with you, and we benefited from your previous experience as Grand Knight and District Deputy. I would like congratulate your on your 60<sup>th</sup> Anniversary being a member of the Knights of Columbus.

During the last Business Meeting our Council recognized Brother Jose Simao by naming him the Knight of the Month. Congratulations Jose.

As mentioned before, we will start with this issue a new method to get to know our Members, by introducing our Brother Knights. Please feel free to forward your own or other members memories etc to <a href="mailto:GK@KOFC4949.org">GK@KOFC4949.org</a> to be printed in our newsletter.

Just think about what our small council has accomplished over the years.

Let's show our Members, but also our Church community what the Knights of Columbus are. We don't want to show off, but I think it is important that our membership, including our church community and our community at large know what Council 4949 is all about.

As everyone should now, Knights of Columbus are a group of catholic men, helping, if help is needed, as

our Founder Farther Michael McGiveny started this process over 100 years ago.

Yes, we are a diverse group of people, and we all have different qualities which we share with our council and our projects.

If Council 4949 would not exist, we definitely would not have the Schubert Centre, Gateby or Columbus Court. Just think about what a small Council like ours has accomplished, which is again a reflection of committed Knights.

May, is the month of Mary, the mother of Christ. We celebrate on Sunday, May 8<sup>th</sup> Mothers day, which is a special celebration for showing appreciation for our mothers.

On May 8<sup>th</sup>, our Council has a special Pancake Breakfast for our mothers. Please bring your mother or mothers you know including your friends to our Pancake Breakfast.

Regina and myself would like wish all mothers a wonderful mothers day filled with joy and happiness. Fraternally

Guenter A. Rieger, Grand Knight

### He came for only two years but is still here

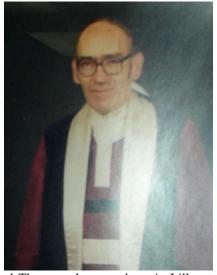

Sir Knight Bodo Niedballa (by Jack Morrison)

Bodo Niedballa was born in Torun, in the west of Poland, in 1932 and moved to Upper Silesia shortly after. His father was an administrator of farms. Bodo was the second child in a family of three. In 1945 they were evicted to Germany where Bodo finished his education and apprenticed as a typesetter, becoming a journey- man in 1954.

Bodo and Gertrud's brother became close friends and they were all three involved in the Catholic youth group. It was in this way that their loving relationship started. But Bodo had a ven to try another country. Australia was his choice at first. But in his research he found the entry into Canada was easier and as Gertrud agreed to let him try it, to Canada he came. Arriving in Edmonton from Dusseldorf in September 1958, he continued almost immediately to Fort St. John and work for Dan Murray at the Alaska Highway News. Dan was the son of our famous Ma (Margret) Murray. Bodo stayed in Fort St. John for two years, joining the parish choir and making many friends. He returned to Germany and was able to persuade Gertrud to marry him and return to Fort St. John "for only two years". In 1962, Ma Murray persuaded them to move to Lillooet and take over her printing shop for the Bridge River-Lillooet News. In 1968, Ma Murray decided to close the shop and job out the printing of the paper. Bodo was able to get a job with the Dept. of High-ways and worked for them until May of 1969 when he came to work in his trade for Wayside Press in Vernon. Gertrud and the children (by now they had four) followed in July when school was finished.

They had enjoyed their stay in Lillooet and were sad to leave their many friends. The Niedballas have given us four lovely children. Susanne who was born in Fort St. John, Martin, Christina

and Thomas who were born in Lillooet, they all have been active members of our parish and our community. Bodo joined the Knights of Columbus in 1976 and has been an active member ever since.

He was Grand Knight for two years and during his term we won the Star Council Award. In 1999, Bodo was appointed by Supreme as the district deputy for District 11. Later, with the help of his family, he has collected the news, edited, printed and mailed our newsletter ten months of the year for about 18 years. Winning the 4th Degree Award for the best newsletter in B.C.-Yukon.

Our newsletter has played a major part in making this Council the success it

is. For this I thank the family on behalf of all the local members of Council 4949.

Council 4949 also expressed their appreciation by presenting the Niedballas with the "Family of the Year" award.

"You are not alone anymore in the parish when becoming a Knight, says Bodo. But you have to take the first step."

Bodo has been active in the Cursillo movement and was chairman of the St. James parish council for two years. For many years Bodo was a reader in our church as well as a commentator while Gertrud and Susanne still serve in the music ministry, and their son Martin serves as an Acolyte at Mass.

In September 2010, Bodo and Gertrud celebrated their 50th wedding anniversary and received congratulations from our Governor General in Ottawa.

Bodo is for many years and still today the Pro-Life Committee Director for St. James Council 4949. May God bless you all Jack Morrison

#### May is for Mothers

In celebration of Mother's Day, Catholic TV will air a documentary about St. Gianna Beretta Molla on May 8th.

St. Gianna is known for refusing an abortion and a hysterectomy when she was pregnant with her fourth child and doctors discovered a tumor in her uterus. She opted for a risky operation to remove the tumor that preserved the life of her child rather than undergo a hysterectomy. Six days after giving birth to her baby she died from complications. St. Gianna was the last saint to be

canonized by Pope John Paul II. Catholic TV will air the documentary You can watch the story of St. Ganna on tube. See link below

### In Memory

It is with deep sadness we announce that Sir Knight Norbert Carl (Norm) Sasges was called Home to the Lord suddenly on Thursday, April 21st, 2011 at the North Okanagan Hospice House.

Sir Knight Norm Sasges was a Charter member of St. James Council 4949, and a member of the 4<sup>th</sup> Degree John Miles Assembly.

Norm was not only involved with the Knights of Columbus, but also in many other community initiatives and responsibilities. He was also involved in the community as early Director of the Vernon & District Credit Union and serving on the Executive of the Snowmobile Clubs. Norm had an integral part in the building of St. James School, the Schubert Centre and Gateby Complex. Norm was holding the office of Financial Secretary for many years for St. James Council 4949.

Norm has been reunited with his wife Bev, who was the love of his life for 52 years.

Our prayers and sympathy are with his family. May his soul rest in peace.

The Schubert Centre started in 1981 in the Schell House and for the next three years the Knights of Columbus planned, designed, financed and built the existing building. The original cost was about \$1.75 million and today it would be well in excess \$4 million. The Schubert Centre Society was since February 1988, largely with volunteer help, at that time we had only 360 members. Currently, we have in excess of 1200 members.

The Schubert Centre has been a social and recreational "hot spot" for seniors since 1984. This non-profit organization

The Schubert Centre takes pride in meals that are created seven days a week by Schubert's chef and his volunteers. Moreover, rightly so, as Schubert does not receive any provincial or federal monetary support, catering and food services are the primary source of income for the Centre. The Centre relies primarily on donations, fundraising, and income generated through its food services sector to continue all operations.

The Schubert Centre, another community project going strong, was started and is supported by The Knights of Columbus St. James Council 4949.

# The Divine Mercy Devotion Marian Prayer Service

Tuesday May 3<sup>rd</sup> 7:00pm St. James Church

Please check your Church bulletin for other announcements for May 2011

Please join in this special prayer service sponsored by your Knights of Columbus. The Marian Prayer Service, In honor of Our Lady of Charity began on September 8, the feast of the Nativity of the Blessed Virgin Mary. The program features an image of Our Lady of Charity, the patroness of Cuba. Our

Lady of Charity has special significance to the Knights of Columbus, given the Order's first principle of Charity, which was also the theme of Pope Benedict XVI's first encyclical, Deus Caritas Est. Therefore, although the Virgin of Charity has her origins in Cuba, devotion to her is altogether appropriate for Knights of Columbus and there families everywhere. As a sign of spiritual solidarity with Pope Benedict XVI, the Holy Father and his intentions will be remembered during the prayer service. At the conclusion of the yearlong prayer program, a "spiritual bouquet" will be presented to the pope, including a report on the total number of prayer services.
